

Friday 27 March 2020

Dear Parents and Carers,

I hope you are all well and have managed to survive the first week of our closure unscathed. I realise that these are challenging times and that many of you may be personally affected by the spread of the Coronavirus, however we are thinking of you all and hoping that you are managing to keep in good health.

I have been very impressed by the energy and effort you and your children have been putting in to working online and completing some of the interesting tasks and challenges the teachers have set them. The teachers have been telling me what a pleasure it has been to work with your children over the past week.

If your child still has not logged on to the online learning platform <https://web.seesaw.me/> it is not too late to do so. If you have had problems logging in please contact school for assistance. I appreciate that it can be very difficult to motivate your children whilst they are at home, and for many of you, you are trying to work too. Some parents have told us that they have found it easier by getting into a daily routine.

TOP TIPS

- Wake up, each weekday at a regular time, and get washed and dressed as if it were a normal school day.
- Create an area where schoolwork takes place (if you have the space!)
- Add some physical activities into the day
- All work and no play
- Structure your day in a way that it works for youbut structure it!

If any of you have any more tips to help each other through what could be many weeks at home, please share them with us.

If you have any particular question regarding school that you want answered, please do not hesitate to email school with your queries and I shall do my best to answer them.

HAPPY BIRTHDAY!

We have missed some special celebrations over the past week and so we would like to wish

Diar, Maia, Kit (Reception class) Happy 5th Birthday

Tommy (Year 2) Happy 7th Birthday

Amy (Year 3) Happy 8th Birthday

Best wishes to you all.

Keep well,

Anne Fontaine
