

23 April 2020

Dear Families,

The Mutual Aid Group

We have been approached by an organisation called The Mutual Aid Group, which is offering to assist Hawley families who are currently experiencing financial difficulties.

They have two different services to offer:

- 1) To provide groceries (at no charge),
- 2) To provide a cooked meal for a family either daily or when needed. (They have contact with a "Food for All" hub in Parkway which is providing many freshly cooked meals every day.)

They have asked us to enquire if any of our families would like some assistance, and if you would like to take up their kind offer, please let the school know by email: admin@hawley.camden.sch.uk or by telephone 020 7485 5020 so that we can put them in touch with you. Please note that this applies to **all** our families and not just those on free school meals.

Hampers

In addition, at the beginning of next week Hawley will receive food hampers for our families on free school meals who requested them. There is usually a surplus, as not all the hampers are collected. If you would like one of the extra hampers, please let us know. These hampers usually consist of tinned beans, peaches, tuna and other basics.

We understand that many families will be finding their new set of circumstances difficult so please do contact us to take advantage of either of these offers if it helps, even if it is just for a short period of time.

With best regards,

Oonagh Pierce
Assistant Headteacher
