

28th June 2020

Dear Parents and Guardians,

I hope you are all safe and well.

I hope you were all able to take advantage of the good weather last week, although hopefully not at the seaside. After spending so much of the last few weeks indoors, it is important to soak up as much vitamin D as you can whilst you can, particularly if you are from the BAME community.

A walk in the local area or a trip to the park can be a real tonic, in more ways than one. If you are out and about during school hours and your route takes you past the school, we are always really happy to give a wave and a 'thumbs up', especially to those who cannot be in school.

Ordinarily this is a very busy time in the school year, where we keep our fingers crossed for good weather and plan for our Sports Day in Regents Park (Thursday 2nd July) and the Summer Fair (Sunday 5th July). We have been so lucky these past few years as we have had beautiful weather for both events. Feeling nostalgic, I took a look at a picture of the winners last year's Sports Day.

A euphoric Emerald Team won the trophy in 2019.

Our fingers are firmly crossed that we can celebrate such happy events again next year.

Next Week

With three weeks left to the end of term, this week is the final week we are able to welcome more pupils back to school. From Tuesday 30th June, some Year 2 pupils will be returning to school for two mornings per week, until the end of term.

Despite our best endeavours, we are unable to welcome back any more pupils. Teachers of the classes unable to return will be arranging online meetings for their pupils.

It is **Healthy School Week** next week. The teachers have planned a range of activities to do with keeping healthy. Usually we serve a healthy breakfast in the school hall, eating Oonagh's delicious bircher muesli, and we practise our Tai Chi moves with Godfrey in the playground.

If you manage to do anything that makes you and your family feel healthier the coming week, please share it with us.

Next Year

I am pleased to inform you that all of our teaching staff will be remaining with us next year, however there will be a change of year group for two of our teachers. The class teachers for next year's classes will be:

Nursery	Tracey O'Neill
Reception	Sarah Richardson
Year 1	Anna Tyler Ahmed
Year 2	Isolde Summerscale (3 days) and Olga Baron(2 days)
Year 3	Mark Benjamin
Year 4	Lucy Sahathevan
Year 5	Laura Ryan
Year 6	Melissa Law

Your children usually get the opportunity to spend some time with their new class teacher before the end of term, but unfortunately that will not be possible this year. However, class teachers will be in touch this side of the summer holiday to send a greeting and set a small task to be completed for the start of the Autumn Term.

School is open Monday to Thursday only. School is closed on Fridays for additional cleaning

Attached to this newsletter is a flyer from Castlehaven Food Bank and the Covid insert from this week's Camden New Journal.

Whilst we've been on lockdown there have been two new additions to the Hawley 'family' – that we know of. Congratulations to Noah (Y1) and George (Y3), who have become big brothers during the holiday. Both boys now have little sisters. We are sure that they will make fantastic big brothers. Congrats to their parents too!

We know that there are more babies to come.....
