

Year 3's self-portrait masks inspired by Kimmy Cantrell

18 October 2021

Yesterday Years 3 and 4 presented our first Harvest Assembly for two years and it was a wonderful celebration and expression of thankfulness from the children. We hope that all who attended the assembly enjoyed it. Also many thanks to those of you who have contributed to our 'Give a Tin' collection. Our target was 220 tins (packets/jars), enough to represent each child in our school. So far we have collected 213 items. We have no doubt that we will reach our target by the end of this week, when we will take your donations to the Trussell Trust.

We also had an amazing cake sale organised and catered for by Year 6 pupils and their families. The children put an incredible amount of effort into baking, advertising and organising their event and it was a huge success. Well done Year 6!

Staggered start and end of the school day

At the start of the term we were cautious and started with a new system of group bubbles rather than class bubbles, and this seems to have been successful. The hope was that, if there was an outbreak of the virus, we could still limit the number of families affected by a potential closure. We have been fortunate in that, although some families have had the virus, the children have not been in school at the time, and therefore there has not been an outbreak in the school.

Unfortunately recent data indicates that the infection rate is on the rise and this is very disappointing. We have therefore decided to continue with our start and end of day routines as they are after half term. The children are now used to the routines that we have and we do not want to alter them as yet.

Half term

All of your children have worked hard so far this term and it has been a very tiring term for many, but we are proud of the effort that they have all put into adjusting to their new year groups and getting on with their learning. We hope they are all able to use next week's mid-term break to relax and recharge their batteries, as well as do some reading of course!

To end this half term we will be having **Crazy Hair Day** on Friday. See below for details.

We close at the normal time this Friday, for one week, and school will reopen on Monday 1 November.

Keep Safe

Year 3 Art Club with Marion and Yvonne. Pumpkins inspired by Yayoi Kusama

NEWS	NEWS	NEWS
<p>Crazy Hair Day is back!</p> <p>Last year, around this time, we were very limited in where we could go and we decided to have a day to cheer up the children (and ourselves!). We came up with 'Crazy Hair Day'. The children loved it and we also managed to raise some money for charity.</p> <p>So, this Friday 22nd October will be the day that your children can thrill us with their amazing and creative hairstyles! Please bring £1 for charity if you can and we will donate the money to a cancer charity.</p>	<p>Crossing Hawley Road</p> <p>It has been brought to our attention that there have been several incidents on the crossing outside the school. Please continue to be cautious when using the crossing outside the school and do not let your children run/scoot across in front of you.</p> <p>Please inform the school if you encounter or witness any incidents as we are sometimes able to capture them on our CCTV cameras.</p> <p>We have tried for quite a while to make the road outside our school safer and Camden has made adaptations and they have been supportive, but if incidents continue we need to report them to the council.</p>	<p>Year 6 Bake Sale</p> <p>Thank you Year 6 for organising an amazing bake sale after yesterday's Harvest Assembly. A whopping £265.70 was raised towards our book buying appeal.</p>

STARS OF THE WEEK

Reception- Hannah		
Year 1- Eva	Year 2 - Noah	
Year 3 - Pixie	Year 4 - Diana	
Year 5 - Millie	Year 6 - Daniella	
<p>* TIMES TABLES ROCK STARS *</p> <p style="text-align: center;">* * * * *</p>		
Year 6 Ben	Year 5 Reya	Year 4 Indie

Year 5

Recently, Year 5 have begun their brass lessons with Simon and Ed. They have managed to pick up the basics very quickly and have reached a point where they are taking home cornets, trumpets and trombones! I am sure they will be practicing them continually away from school and I am looking forward to seeing their improvements each week!

In history, we are coming to the end of discovering about Roman Britain, with our topic advancing to London during WW2 after half term. We are all excited about our trip to the Museum of London next week and, thanks to our hard work on

creating a rallying speech that Boudica may have used, understand what the Celtic Britons could have gone through. This resulted in fantastic examples of drama where the pupils took on the persona (and hair) of Boudica, and roared their armies onto victory!

Year 3

In year 3 we have been crafting our fantastical creatures out of the natural materials we foraged from our trip to Hampstead Heath. The children used clay as a base for their creature

bodies and added their natural materials as features such as wings, tails, spines and horns. By using our Hawley Habits - imagination and creativity we were able to bring our creatures

to life through our descriptive writing in Literacy! We look forward to showing these off in our Harvest Assembly next week.

We have also been using our drama skills to roleplay one of the characters in our class book Mouse, Bird, Snake, Wolf by David Almond. The children crafted their own microphones and took turns to play BBC Newsround interviewers live in our makeshift studio! After half term we will write our own comic strips based on our fantastical creatures and publish them using our computing skills!

Year 1

In Year 1, we have been learning about 'green food'. We read a Charlie and Lola story in which Lola said that she did not eat green things so we set out to prove that green food can be delicious!

Nursery

The nursery has been singing Cobler, cobbler, mend my show and reading the story "The Elves and the Shoemaker". They have been dressing up as elves and playing in the shoe shop.

They had great fun walking in paint and making footprints and exploring a range of colour mixing activities.

KEY DATES

Fri 22nd October - CRAZY HAIR DAY! Please send your child into school with a £1 charity donation

Fri 22nd October - Break up for half term (at the normal time)

Mon, 1st November - School returns from half term

Fri, 12th November - School photographer taking individual/sibling photos

Mon, 22nd November - Y3 CLC

Wed, 24th November - Y5 Class Assembly

Tues, 30th November - Y6 Class Assembly

Mon 29th November - Y6 British Museum

We have been asked to forward this information from the Working Mens College:

Are you interested in pursuing a career working in Adult Care, Nurseries or Schools?

We have a great range of courses to start or consolidate your career, from Level 1 up to Levels 2 & 3 in the following subject areas: Preparing to Work in Adult Social Care, Supporting teaching and learning, and Childcare.

Childcare courses - for those interested in working in the Early Years (0-5) sector.

Supporting Teaching and Learning courses are for people who would like to work in schools with (5-18)

Adult Social care courses will prepare you to work in an Adult Care setting - both residential and domiciliary

New courses start in January 2022 (week beginning January 10th)

- Level 2 Certificate in Preparing to work in Adult Social Care
- Level 1 Certificate in Caring for Children
- Level 2 Diploma for the Early Years Practitioner
- Level 2 Certificate in Supporting Teaching and Learning

Please check our website for further information - www.wmcollege.ac.uk or email vocational@wmcollege.ac.uk
