

World War 2 Art by Year 5

26 November 2021

As we move ever closer towards the end of the Autumn Term all classes have become busier rounding off their topics, going on educational visits and preparation for end of term performances and the excitement that the end of this term brings. It is wonderful that we can take advantage of so many local resources trips to The Jewish Museum, The British Museum, London Zoo and Hendon Aircraft Museum have, or will be taking place before the end of term. It is wonderful to see the work produced by the children, inspired by their visits.

COVID-19

Unfortunately, the last couple of weeks have seen a rise in the number of families in our school that have been affected by COVID-19 and in order to keep as many children in school as possible as well as keep staff safe, it is very important the we all keep to the COVID 19 guidance as best as we can.

Christmas Fair

We are planning on having a Christmas Fair on Friday, 10th December. More details to follow.....

STARS OF THE WEEK

Nursery - Ayub

Year 1- Nathan

Year 2 - Yonas

Year 3 - Shufail

Year 4 - Houd

Year 5 - Tre

Year 6 - Ayaan

*** TIMES TABLES ROCK STARS ***
* * * * *

Year 6 - Ewerton

Year 5 Beau

Year 4 Shaima

Attendance

Last week **YEAR 2** were our attendance stars with **98%** attendance for the week. Excellent effort Year 2!

YEAR 3

This week Year 3 have been busy working on their robotics skills when they visited the Camden Learning Centre. The group were met with an exciting array of Lego Wedo resources and were able to bring them alive by coding motors, axles and pulleys!

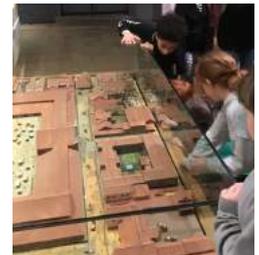

We were so proud of the determination shown by all students when our robotic creations faced technical problems.

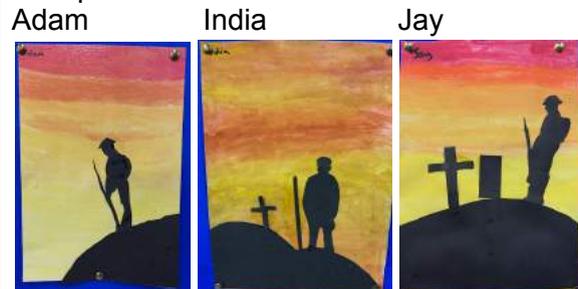

In art we have been drawing fossils, rocks and crystals. These are some examples of the beautiful observations made by some children when looking at the form, shadow and textures of these ancient objects. We were able to experiment with a variety of mark making with our pencils to show self expression through our drawing. You should feel very proud of yourselves Year 3!

YEAR 5

In the final week of the half term, Year 5 had a thoroughly enjoyable trip to the Museum of London to see our Roman Britain topic come to life. We were able to see household items, model buildings of Londinium and even a skull that was possibly in a battle against Boudica's Iceni tribe! The class behaved very well and represented Hawley with pride.

This second half term, we have begun investigating how London was during WW2, providing a range of comparisons with our Roman Britain topic. In art, the pupils took the topic of remembrance day and made silhouette images of a reflecting soldier. This led to superb conversation in the classroom about how to best commemorate the lives lost in wars, resulting in a respectful 2 minute silence on Remembrance Day.

India

Jay

Year 1

Year 1 went on an exciting trip to the zoo this week. We saw lots of different animals and took part in a workshop about mammals, reptiles and birds. We learnt about their different types of skin and chose words to describe how they felt. We all had a great day!

Nursery

The nursery have been finding out about the celebration of Diwali. They learnt a song which tells the story of Rama and Sita, and how the demon king took Sita away and how she was finally rescued by the monkey army. The children dressed up as the different characters to perform the song.

KEY DATES

Mon 29th November - **Y6 British Museum**

Tues, 30th November - **Y4 Jewish Museum**

Tues, 30th November - **Y6 Class Assembly**

Mon, 6th December - **Y4 London Zoo**

Wed, 8th December - **Y3 Camley Street Nature Park**

Wed, 8th December - **Y1 & 2 Hansel & Gretel (pm)**

Thurs, 9th December - **Y1 & 2 Hansel & Gretel (eve)**

Thurs, 9th December - **Y5 RAF Museum, Colindale**

Fri, 10th December - **Hawley Xmas Fair (details to be announced)**

Wed, 15th December - **Reception Nativity**

Fri, 17th December - **Last day of term
(School will close early -
times to be announced)**

Tues, 4th January - **INSET day**

Wed, 5th January - **Children return to school**

WELL-BEING TIP OF THE WEEK

Focus on the effort not the outcome

It can be very upsetting when we don't perform well at something. It can make us feel like a failure and stop us from wanting to try, because what's the point of trying if we're just going to fail? But we'll never achieve anything with that way of thinking. So, how do we overcome that? If we stop focusing on the outcome and care more about working hard and putting in the effort, this teaches us to persevere, it enables us to develop new skills, helps us to feel more in control and in the end we achieve better results. When you focus on the effort made, it helps you to become more resilient to change or to things turning out a different way than you'd hoped. You can then concentrate on what you can do differently next time to get closer to what you wanted rather than being consumed by disappointment and giving up.

How to stop COVID-19 spreading

There are things you can do to help reduce the risk of you and anyone you live with getting ill with COVID-19.

Do

- Getting vaccinated is the best way to protect yourself and your family from COVID-19. If you or your child is eligible for the COVID-19 vaccine but have not yet had it please find more information [here](#) on how and where to get vaccinated
- Meet people outside if possible and open doors and windows to let in fresh air if meeting people inside
- Continue to wear a face covering (unless you are exempt) while on public transport and in busy indoor places
- Take regular LFD (no symptom) tests
- If you have COVID-19 symptoms, get a PCR test straight away and self-isolate until you get the result.
- If you're a close contact of someone who tested positive, make sure you get a PCR test and self-isolate if you are directed to do so.
- Wash your hands with soap and water often – do this for at least 20 seconds and use hand sanitiser gel if soap and water are not available
- Cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze and put used tissues in the bin immediately and wash your hands afterwards

WinterFEST

Friday 10th December 2021 • 3:30 - 7pm

**Festive entertainment
and FREE activities for all ages.**

- Delicious Food & Drink
- Festive Stalls
- Special Performances
- Sports Challenges
- Santas Grotto

Info@castlehaven.org.uk • 0207 485 3386
23 Castlehaven Road, Camden Town, NW1 8RU
