

Who lives in Antarctica?

What I have already learned

I know

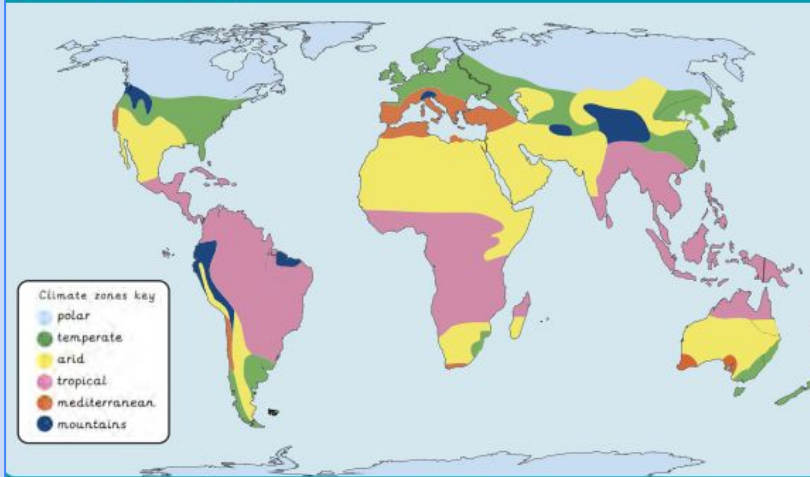

- Lines of latitude and longitude
- Hot desert biomes
- The names of the seasons
- The significance of the Equator

What I will learn

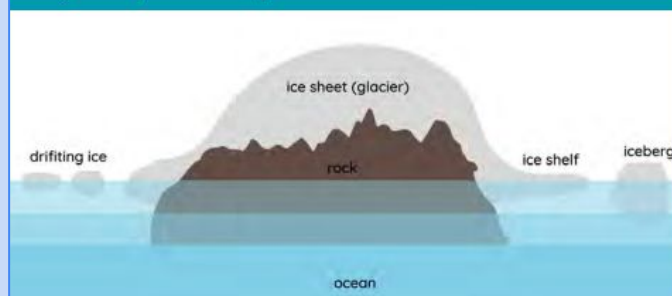

I will learn

- What a climate is
- Where Antarctica is
- The physical geographical features of Antarctica
- Who lives in Antarctica
- Who Shackleton was and what he did
- If we can plan an expedition?

Climate zone map

Physical features of Antarctica

Key Vocabulary

climate	The long term weather conditions in a specific region
climate zones	Areas of the world grouped together in a specific region
hemisphere	One half of the Earth
drifting ice	Large chunks of ice that break off a glacier
Ice sheet	A layer of ice covering the land for a long period of time, also known as a glacier.
Ice shelf	A thin layer of ice extending off a glacier into the sea.
treaty	A formal written agreement between at least 2 places.
